*Notes:

- Above prices are all for single character. Price for additional character(s) can be negotiated.
- I'm not ready for animal oc design yet. Can do some furry (on a case-by-case basis) but most comfortable with human/humanoid.
- If your oc already has visual design and you want to order an illustration of your oc, it'll be considered as regular portrait/half-body/full-body illustration. (no design fee required)
- If you want to order **design+illustration** for your oc, it'll be price addition*0.9. For example, head design+portrait: $(5+10)*0.9=13.5$; full-body design+portrait: $(10+10)*0.9=18$. You'll receive both the sketch and illustration.
- **Head design sketch** will include one semi-realistic style and one animated style as well as color samples.
- **Full-body design sketch** will include one front and one back view as well as simple costume design. Color samples will be included.
- **The final illustration should be for personal use only.** You can share it on social media or reprint it for personal use. But you can not sell the print or use the print as commercial ad or other commercial use. If you want to order commission(s) for commercial use, the price will be set differently so please include this requirement while contacting me.

- An invoice will be sent via Paypal once the requirements are discussed.
